Hello DSCC Online or Hybrid Student!

Thank you for your interest in DSCC Online or Hybrid courses. As you know, these virtual classes provide students the opportunity to continue or complete their education at a time that is convenient to their individual schedule.

Here is some important information:

- Online and Hybrid courses will be available on the first official day of class.
- Attendance Verification: Your instructor will verify your attendance when you have logged in and met the attendance requirements for the course. These requirements vary for each course. For students who receive financial aid, remember that you cannot receive your financial aid until your attendance has been verified.
- Some DSCC Online and Hybrid classes require that tests be proctored. Please read each course syllabus carefully to find out if the course has this requirement. If the course requires proctored tests, visit www.dsc.edu/online to schedule an appointment for testing.
- Hybrid classes are a combination of online and traditional classroom meetings. You are required to attend the scheduled meeting dates for hybrid classes. Remember that hybrid classes are designated by HYB and DSCC online classes are designated by OL in the class schedule. Be sure you know if you are taking an online or a hybrid course. If you are unsure, ask your advisor.
- Textbooks for DSCC Online and Hybrid classes **are available** at the Dyersburg State Community College campus bookstore. You are responsible for purchasing your textbooks in a timely manner to ensure you are prepared and ready to participate in your class the first day. The direct link to the DSCC Bookstore is www.dsc.edu/bookstore or you can call them at (731) 286-3241.

Visit and review online learning tips on the www.dsc.edu/online website.

Feel free to contact me with any questions you may have about DSCC Online or Hybrid Courses. I truly look forward to helping you as you pursue your academic endeavors!
