LEARN MORE

[HTTP://WWW.RODP.ORG](http://www.rodpc.org)

Every student should visit the Regents Online Degree Program homepage and read the resources there. Almost every question you might have has been answered. You can also find links to the Bookstore and to a Current Students page full of information for you.

Hello RODP Student!

Thank you for your interest in the Regents Online Degree Program (RODP). As you know, these online classes provide students the opportunity to continue or complete their education at a time that is convenient to their individual schedule.

Here is some important information:

- Textbooks for RODP classes **are not available** at the Dyersburg State Community College campus bookstore. You are responsible for purchasing your textbooks in a timely manner to ensure you are prepared and ready to participate in your class the first day. The books must be ordered through the TBR Virtual Bookstore. The link can be found on the RODP website at www.rodpc.org.
- For students who receive financial aid: The report on your attendance in RODP courses is an automatic data extraction. When you enter your course for the first time, a record is made automatically. That information is provided DSCC's Financial Aid office after the 4th, 9th and 15th days of class. Your RODP instructor does not report your attendance in RODP courses and you will see that they have not verified you until DSCC receives and processes the file on the 4th, 9th, and 15th days of class. This means that if you attend your class on the 1st, 2nd, or 3rd day of classes (not the day of the month), you'll be reported on the 4th day of classes. If you do not log in until the 5th day, you will not be reported until the 9th day and so forth.
- Students cannot log in or view their class until the published date that classes begin. Please see the instructions on the reverse side of this page for specific details. Also visit <https://elearn.rodpc.org> to see important messages regarding the start date and time.
- In certain cases, RODP classes require that some of the tests be proctored. Please make sure and read each course syllabus carefully to find out if the course has this requirement. If the course has that requirement, please visit www.dsc.edu/online to schedule an appointment for testing online.

Please use the online tools provided for learning how to access and navigate your way through the class. You can also click on the "Go to Class" link and complete the orientation. Student orientation and tutorials are available at <http://www.rodpc.org/current-students/orientation>.

Feel free to contact me with any questions you may have about RODP or Dyersburg State Community College. I truly look forward to helping you as you pursue your academic endeavors!
