

Mini Med School

for the general public

Come learn about medicine, medical practice and how to talk to your doctor.

Mini Med School is a ten-week program designed to enlighten and provide a scientific background that will improve your understanding of the human body. This course will help you take charge of your own health. You will not get a medical degree nor can you practice medicine, but you will get the background, the overviews, and the updates needed to familiarize yourself with healthcare topics.

First Semester: basic anatomy and physiology issues. Learn how the body is put together and how it works.

Second Semester: the socio-economic, political and ethical aspects of medicine, including healthcare reform and end of life issues.

Thursdays, Sept. 10, 17, Oct 1, 8, 22, 29, Nov 5, Dec 3, 10, 17 / 6:30 - 8:30 p.m.

Location: DSCC Jimmy Naifeh Center at Tipton County

3149 Highway 51 S., Covington, TN 38019

Cost: \$99 per person

Registration deadline **September 4, 2009.**
