I understand that withholding information requested on this application or giving false information may make me ineligible for admission to the College or subject to dismissal. With this in mind, I certify that the above statements are correct and complete.

I understand that acceptance as a degree student requires submission of a copy of my high school transcript or GED, official college transcript(s), AND placement test or ACT scores. Grades and transcripts of credits will be withheld and registration for subsequent terms may be denied until this requirement is met.

I understand that if accepted as a student, there are certain performance tests I will be required to take during my academic career and that it is a requirement of admission that I agree to take any test deemed necessary by this institution. In those instances in which tests are administered by an external entity, I hereby agree for the results of such tests to be released to this institution. The purpose of this requirement is to comply with the legislature's expressed intent that institutions regularly evaluate and improve instruction at all levels. I also understand that if I am under 21 years of age and required by institutional policy to complete the Computerized Placement Assessment and Support System Test (COMPASS), my scores on these tests and course placement may be reported to my high school for research purposes. Any test scores will be treated confidentially as required by law.

I give Dyersburg State Community College permission to request my official transcript from any TBR institution in which I have previously been enrolled, all of which are noted elsewhere on this application. I realize this is a service provided to me by DSCC and other TBR institutions and I understand it is my responsibility to obtain official transcripts from each institution attended to support my application for admission. DSCC accepts no formal responsibility for delivery of transcripts by other schools.
