2

12 hours

***College prep courses and MATH 1020 (or credit by proficiency exam) are prerequisite courses and must be completed with a grade of C or better to be considered for admission.**

The more courses completed prior to admission the easier the work load

Science courses with the letter grade of A or B will earn points for admission

All nursing and general education courses including science courses must be completed with a grade of C or better.

****NUR 100 must be completed with at least a "C" to receive the 9 hrs of credit for NUR 111.**
