

# Applying for the TN Dual Enrollment Grant

1. Complete the Tennessee Student Assistance Corporation (TSAC) online application for the Dual Enrollment Grant at <https://www.tn.gov/collegepays/money-for-college/tn-education-lottery-programs/dual-enrollment-grant>. To request funds toward your educational costs, complete the online application by the appropriate deadline: September 15 for fall semester, February 1 for spring semester or May 15 for summer semester.
2. Click on “Application found within the TSAC Student Portal.”
3. Click on “Register” if you need to create an account or click on “Sign In” if you already have an account.
4. Fill out all of the required fields and Challenge Questions when creating a new account. Please note that everything is case-sensitive and your password must be 6-25 characters, must include letters and numbers, and cannot contain the User Name, First Name, or Last Name.
5. Login using your new username and password and click on Apply for TSAC Aid. Scroll down the list and select the DE Grant application for the appropriate academic year. Make sure to choose Dyersburg State Community College as the college choice on this application.
6. The Dual Enrollment Grant, provided by the Tennessee Education Lottery Scholarship Program, provides partial funding toward tuition and fees for college courses taken while in high school. As a courtesy, DSCC initially applies the first grant amount per semester to the student’s account. However, if the student fails to apply, does not qualify to receive the grant, or chooses to use the grant at another college/institution, the grant total will be added to the balance owed and the student will be responsible for the amount.
