

How to Confirm Enrollment

Completing this final step in the registration process is critical. You must confirm your enrollment to hold your seat in the classes you have registered to take.

For any Fall class – you must PAY AND CONFIRM enrollment by August 12, 2019 or at the time of registration if after August 12, 2019. If you do not, you will be removed from your classes. Again, if you register for any Fall class after August 12, 2019, you must pay at the time of registration, or you will be removed from the class.

- Students may pay in full using credit/debit card, cash, or check. Payments may be made online as outlined below or paid to any campus cashier. If you pay in full with credit/debit card, cash, or check, confirming enrollment will not be necessary as this will be done automatically when the payment in full is posted to your student account.
- Loans, grants, scholarships, state or federal vocational rehabilitation, or any other type of financial aid may pay your account in full; however, you still must confirm enrollment no later than August 12, 2019 to hold your class schedule.
- Loans, grants, scholarships, state or federal vocational rehabilitation, or any other type of financial aid may pay only a portion of your account; you must pay the remaining balance in full by August 12, 2019 (or at the time of registration, if after August 12) in order to confirm enrollment and remain enrolled in your classes.
- Please note that reviewing your class schedule does not confirm enrollment; you **MUST** select the option Payment of Fees/Confirmation of Enrollment. If your account balance is not \$0.00 or a credit balance, you must pay your account balance in order to confirm.
