## Dyersburg State Community College - Spring 2011

### About DSCC

The State Board of Education approved the creation of Dyersburg State Community College in 1967. The first classes were offered in Dyersburg in the fall of 1969.

### Dyersburg Campus

The Dyersburg campus is centrally located in the college's seven-county area and is spread over more than 115 acres. It boasts a variety of facilities including the E.B. Eller Administration Building, the Dale F. Glover Education Center, the state-of-the art Learning Resource Center containing 144 computers for students' use, the Student Center featuring a One-Stop Center to provide multiple services to students, the Mathematics Building, the Campus Activities Building, the Security Bank Community Learning Center, and the E. H. Lannom, Jr., Gymnasium.

### DSCC Jimmy Naifeh Center at Tipton County

Situated on 102 acres, the Center presently has two buildings. The 33,503 square-foot Jimmy Naifeh Building, houses instructional classrooms, labs, a commons area, advising center, an on-site bookstore as well as the administrative offices. The Academic Building supports allied health programs in Nursing and Emergency Medical Services. The Peter and Gracey McNeely Fyfe Learning Resource Center, equipped with 47 computers, and a 244-seat auditorium are also located here.

In February 2008, the State Building Commission approved planning funds for a third building. This building will house a variety of student services along with an expanded Learning Resource Center.

### DSCC Gibson County Center

Since it opened in 1992, more than 900 DSCC graduates have enrolled in one or more courses at the DSCC Gibson County Center, located in Trenton across from Peabody High School. More than 6,000 students have attended classes at this center.

The Center houses six master classrooms, four of which include Sympodium systems; interactive television classroom; a mathematics lab with 30 computer stations; a computer lab with 20 computer stations; a Learning Resource Center equipped with 14 computers; and a combination science classroom/lab which includes 24 lab stations and four computers. In addition, the Center has a large commons area and a bookstore.
