I understand that acceptance as a degree student requires submission of a copy of my high school transcript or GED, official college transcript(s), AND placement test or ACT scores. **Grades and transcripts of credits will be withheld and registration for subsequent terms may be denied until this requirement is met.

I understand that if accepted as a student, there are certain performance tests I will be required to take during my academic career and that it is a requirement of admission that I agree to take any test deemed necessary by this institution. In those instances in which tests are administered by an external entity, I hereby agree for the results of such tests to be released to this institution. The purpose of this requirement is to comply with the legislature's expressed intent that institutions regularly evaluate and improve instruction at all levels. I also understand that if I am under 21 years of age and required by institutional policy to complete the Computerized Placement Assessment and Support System Test (COMPASS), my scores on these tests and course placement may be reported to my high school for research purposes. Any test scores will be treated confidentially as required by law.

I give Dyersburg State Community College permission to request my official transcript from any TBR institution in which I have previously been enrolled, all of which are noted elsewhere on this application. I realize this is a service provided to me by DSCC and other TBR institutions and I understand it is my responsibility to obtain official transcripts from each institution attended to support my application for admission. DSCC accepts no formal responsibility for delivery of transcripts by other schools.

I understand that withholding information requested on this application, including attendance at any other institution, or giving false information may make me ineligible for admission to the college or subject to dismissal. I have read this application and certify that the statements I have made on this application are correct and complete, including a report of all college work attempted or completed.

In addition to the forgoing, the Tennessee Eligibility Verification for Entitlements Act requires an applicant for in-state tuition or state financial aid to attest under penalty of perjury that he or she is either a United States citizen or alien lawfully present in the United States. By submitting this application, I am attesting that I am either a United States citizen or alien lawfully present in the United States or I am not requesting any state benefits including in-state tuition.

I understand that this attestation is required by Tennessee law if I have applied for a state public benefit. I understand that Tennessee law requires me to provide documentation verifying the status indicated above prior to receipt of this state public benefit. I understand that knowingly and willfully making a false, fictitious, or fraudulent statement or representation shall subject me to liability under the Tennessee False Claims Act, Tennessee Code Annotated 4-18-101 et seq. I understand that if I am found to have made a false or misleading statement my state public benefit may be rescinded or I may be disciplined by the college.
