

Dyersburg State Community College

Dual Enrollment Student Responsibility Checklist

Complete the Dual Enrollment paper application, which must be signed by your parent/legal guardian. Eligible students must be a junior or senior in high school and have a cumulative high school GPA of 3.00 or the recommendation of a high school official. The application can be found online at www.dsc.edu/dualenrollment.

Follow up with your high school counselor to be sure they send DSCC your high school transcript and ACT scores. To enroll in an English course, your ACT subscore in English must be at least 18 and Reading must be at least 19. To enroll in a mathematics course, your ACT subscore in math must be at least 19 for Introductory Statistics and 22 for Precalculus Algebra.

Submit any college/university transcripts that reflect completed Dual Enrollment coursework at any and all institutions other than Dyersburg State. Failure to submit an official transcript documenting any previous dual/joint enrollment coursework will prevent DSCC from requesting the TN Dual Enrollment Grant funds on behalf of the student. A requirement for the receipt of said funds is dependent upon maintaining a 2.75 GPA in ALL Dual Enrollment coursework, no matter the institution. If a student fails to supply their college transcript, they will be billed by DSCC for the full tuition balance.

Apply for the Dual Enrollment Grant provided by the Tennessee Student Assistance Corporation (TSAC) online at WWW.COLLEGEPAYSTN.COM. Not completing this online application will result in the student being billed by DSCC for the full tuition amount. A student who does not qualify for the TN Dual Enrollment Grant for any and all reasons, including residency or GPA, will be billed by DSCC for the full tuition amount. A student who is participating in Dual Enrollment courses at more than one college/university and chooses to send the Dual Enrollment grant to an institution other than DSCC will be billed by DSCC for the full grant amount.

Complete the TSAC Dual Enrollment Grant Program Additional Courses Agreement online at WWW.COLLEGEPAYSTN.COM if the student is enrolling in two or more classes in a semester and wishes to borrow an additional grant amount from their future HOPE Scholarship funds. The student must be HOPE Scholarship eligible and the amount borrowed from future HOPE Scholarship funds will be deducted "dollar for dollar" during the first year of enrollment at a HOPE eligible institution.

Check your MyDSCC email account frequently for registration, billing, and other college updates. For technical assistance, contact the Help Desk at 731-288-7780.

Contact the DSCC Business Office to arrange for payment of all fees associated with participating in the Dual Enrollment program at Dyersburg State. Financial Aid options are available. For more information, contact the Assistant Director of Recruitment at 901-475-3132 or ENROLL@DSCC.EDU, or the DSCC Business Office at 731-286-3310.
