

ENROLLMENT AGREEMENT
AND ACCEPTANCE OF RESPONSIBILITIES

In consideration of my enrollment at Dyersburg State Community College in a program of education for which I may be entitled to receive veterans benefits, and certification by Dyersburg State Community College to the Department of Veterans Affairs of my initial enrollment, and subsequent continued enrollment in qualified courses leading toward my designated educational objective, I hereby agree to comply with, and accept responsibility for compliance with all laws and regulations controlling eligibility for and receipt of veterans benefits by veterans and other eligible persons, and I further agree to indemnify and hold harmless Dyersburg State Community College against any liability of my failure to comply with all laws and regulations concerning eligibility for and receipt of veterans benefits, and to pay to Dyersburg State Community College all costs of collection, including reasonable attorney's fees, which are incurred in the recovery from me of any funds received from the Department of Veterans Affairs which I was not entitled to receive under said laws and regulations.

Pursuant to the foregoing, I hereby acknowledge and agree that it is my responsibility to notify the Dyersburg State Community College Office of Veterans Affairs immediately if I drop or withdraw from any course or courses for which I have been certified as enrolled by Dyersburg State Community College, and to return to the Veterans Administration any funds I received for enrollment in courses which I have dropped or from which I have withdrawn, or for which I am not otherwise entitled to receive such payments. I further acknowledge and agree that I am not entitled to receive benefits for enrollment in courses which I have previously taken and received other than a failing grade, or for enrollment in courses which do not advance my credit hour progress toward my specific educational objective--e.g. elective courses in excess of the maximum electives allowed.

I further acknowledge my responsibility to maintain proper attendance and satisfactory progress toward completion of all courses for which I enroll at Dyersburg State Community College and to notify the Department of Veterans Affairs or the certifying official at this school immediately of my discontinuance of enrollment in any course and of any changes or conditions affecting my entitlement of benefits.
