

DSCC Fact Sheet

Dyersburg State Community College - Fall 2013

About DSCC

The State Board of Education approved the creation of Dyersburg State Community College in 1967. The first classes were offered in Dyersburg in the fall of 1969.

Dyersburg Campus

The Dyersburg campus is centrally located in the college's seven-county area and is spread over more than 115 acres. It offers a variety of facilities including the E.B. Eller Administration Building, the Dale F. Glover Education Center, the state-of-the art Learning Resource Center containing 151 computers for students' use, the Student Center featuring a One-Stop Center to provide multiple services to students, the Mathematics Building, the Campus Activities Building, the Security Bank Community Learning Center, and the E. H. Lannom, Jr., Gymnasium.

DSCC Jimmy Naifeh Center at Tipton County

Situated on 102 acres, the Center presently has two buildings. The 33,503 square-foot Jimmy Naifeh Building, houses instructional classrooms, labs, a commons area, advising center, an on-site bookstore as well as the administrative offices. The Academic Building supports Nursing and Emergency Medical Services/Paramedic programs. The Peter and Gracey McNeely Fyfe Learning Resource Center, equipped with 47 computers, and a 244-seat auditorium are also located here.

DSCC broke ground for the new DSCC Learning Resource Center and Student Center and the Tipton County Public Library on November 16, 2011. The 54,000 square foot building will cost approximately \$14.0 million and will be completed in time for fall semester 2014. The project was funded by \$9.5 million from the state, \$3 million from the Tipton County Legislative Commission and \$1.5 million from gifts and DSCC Plant Funds.

DSCC Gibson County Center

Since it opened in January 1992, 1,235 certificates and degrees have been awarded to students who have been enrolled at the DSCC Gibson County Center, located in Trenton across from Peabody High School. More than 6,550 students have attended classes at this center.

The Center houses six master classrooms, four of which include Symposium systems; interactive television classroom; a mathematics lab with 30 computer stations; a computer lab with 20 computer stations; a Learning Resource Center equipped with 14 computers; and a combination science classroom/lab which includes 24 lab stations and four computers. In addition, the Center has a large commons area and a bookstore.

Demographics
