

CLERY INCIDENT REPORT

Campus Security Authority Worksheet

Dyersburg State Community College

One of the purposes of the Clery Act is to promote campus safety by encouraging the reporting of crimes and the disclosure of accurate statistical data regarding crimes occurring on campus and within the geographic limits defined within the Clery Act. This report form has been designed as a uniform procedure to aid the Campus Security Authority (CSA) in documenting the necessary information (the What, When, and Where) of the reportable crimes defined by the Clery Act. **Data collected on this form is to be used to increase public safety, not to identify the victim; therefore, no personal identifying information of the victim shall be included on this form.**

It is the policy of Dyersburg State Community College to encourage victims and/or witnesses of crimes to report those crimes to local law enforcement. In some instances a victim or witness may feel more comfortable reporting a crime to a designated CSA. For the purposes of Clery, CSAs are required to document reportable crimes and those non-reportable crimes that are hate or bias based which have occurred in the following areas.

1. **On-Campus Property:** Any building or property owned, controlled, or leased by the institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes.
2. **Public Property:** All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

For Clery purposes, the student status of the offender or victim is not a relevant fact in whether or not this report form is to be completed. If a violation of one of the offenses indicated below occurs, documentation is required.

Clery documentation is not satisfied by simply directing/referring the reporting party to the Security or local law enforcement. In order for DSCC to satisfy the statistical reporting requirement of the Clery Act, all CSAs are required to complete this form when any of the specified offenses are reported to them. A person reporting a crime shall be encouraged to report the crime to local law enforcement.
